## I. INTRODUCTION

### Rally Sprint „Viekšniai 2017“

More than fifty crews expected on August 18-19 in Viekšniai, where will be held the traditional Rally Sprint race "Viekšniai 2017".

It will be 4th event of 2017 Lithuanian Rally Sprint Championship and the 5th event of 2017 Latvian Rally Sprint Championship, therefore almost all the most capable two-state rally sprint crews should start in this race. The Rally is organized by Mažeikiai Auto Sports club.

On Friday, August 18th, the crews after Scrutineering will be able to recognise with part of the track and test their strength in a 5 km length Test stage ("Shakedown"). On Saturday, crews will complete the reconnaissance, and from 13 hours will start the race. Crews on Saturday, August 19, will have to overcome a total of 10 special stages. It is planned that sportsmen five stages will overcome twice, for a total SS distance 57 km and the total distance of Rally Sprint - almost 180 km.

The gravel roads of Mažeikiai district should be enjoyed by sportsmen. Most of the tracks will be familiar to the racers, but always is possible to find something new in this region. Therefore, this year's Rally Sprint 10 special stages should be interesting. The good words about the tracks after the competition are usually not only from our sportsmen, but also from the guests who with pleasure come to Viekšniai, because this event can be called as a good training - a test of mutual understanding between the technician and the crew. We hope that after this year's race the participants will be satisfied with the tracks.

The competition will be divided into two sections: the crews will have to overcome the 3.3 km and 4.2 km speed stages twice and the 9.1 km length 5th speed stage before the break. After the Service break the crews will must overcome the same 9,1 km stage and two stages of 8.7 km and 3.2 km, which will be driven twice. The race in Tirkšliai and Viekšniai districts will end about 18 hours and 30 minutes, when crews will return to Viekšniai again.

The Rally Sprint in August of 2016 was very interesting in Viekšniai: the crew of Vytautas Švedas and Žilvinas Sakalauskas arrived here, Renārs Francis defended Latvia's honor by driving Ford Escort Cosworth WRC , and Russian crew Dmitry Feofanov ("Mitsubishi Lancer") tried to be the third prizewinner since the start of the race. V.Švedas was a long-time leader in the overall rally, but due to technical problems his crew did not finish the race. The failure of one of the most powerful Lithuanian racers was used by R. Francis, who became the winner of 2016.

Because powerful foreign sportsmen did not compete in Rally Sprint Championship standings, the crew of Mindaugas Kaminskas and Mindaugas Bagdonavičius (Honda Civic) was the leader in the Lithuanian championship 2WD classification. The organizer of the event, Mazeikiai ASK head Vitalijus Plastininas and his son Vytenis (Mitsubishi Lancer) won the first place in the "Open" classification of Lithuanian Rally Sprint Championship.

**We are waiting for you and this year in Viekšniai!**
