12.5.3 The use of safety and tracking equipment.

The competitors are responsible for installing of equipment by themselves. The same device is used during both: the reconnaissance and the event. **Device has to be installed inside the car before Rally start, or if the crew takes part in Test stage – before it start.** Safety and tracking equipment and information sticker has to be installed inside rally car according scheme specified in Appendix 7 of these Regulations.

12.5.4 Safety and tracking equipment principles.

Safety and tracking equipment will be connected with monitoring station, which will store all the transferring data. The device has autonomous power supply, which will maintain the functioning of the equipment during the entire event. Every device has its unique serial number, which will be assigned to every crew. Geographical position of every crew will be monitored during reconnaissance and during all Rally time in Rally HQ. **Attention!** The device during its operating time can spread specific radiomagnetic interferences what is typical for GSM connections. We kindly recommend putting other devices that can be sensitive for this equipment in maximum distance from the installed Organizer's equipment.

12.5.5 Principles of sending "SOS" and "OK" signals.

"SOS" button is pressing when the crew has suffered an accident and an immediate help is required. In this case, the **Rally HQ also has to be informed by phone number, which will be written on informational Safety sticker.** "OK" button is pressing when the crew stops in the speed stage due to an accident, technical or other reasons where emergency assistance is not required (as well as when the crew is trying to return to the track and continue the race). The crew has to have mobile phone, switched on or to switch it on in 60 seconds after an accident, so Rally safety and Rally monitoring centre could contact with them.

12.5.6 All attempts of a crew to inhibit or influence GPS Safety and tracking equipment signals or operation during reconnaissance and/or race, will be reported to the Stewards, which will appoint penalties or will decide on expulsion of the crew from the Rally Sprint.

12.6 Time cards will be issued TC 0, changed TC 5A and collected TC10A.

12.7 Early check-in without time penalty is allowed TC 10A.

12.8 Retired crews **must inform the Rally Headquarters** by phone number, indicated on GPS sticker or Clerk of the Course by ph. +370 698 39401 about the reasons as well as place and time of their retirement. Retired crew must also return the time card at the closest control post or to the stage opening marshals, and remove the race numbers form the car. Failing to inform about retirement will inflict 60 EUR fine.

12.9 In case of accident where the crew members or a spectator suffered physical damage/injury, the member of the crew must immediately inform the following cars by showing "SOS" sign (art. 40.2 of T-2017) and inform Rally Headquarters by phone number, indicated on GPS sticker or Clerk of the Course by ph. +370 698 39401. The crew violating the requirements to exhibiting the "OK"/"SOS" signs will be penalized following section 12 of Lithuanian Automobile Sports Code.

12.10 Red flag. It can be shown only in Marshals points marked by appropriate signs. Upon seeing the first displayed red flag, the crew must immediately reduce speed and stop, and continue following the Marshals instructions. Flags will be displayed on all Marshals points, located before the accident. Failure to comply with this rule, the Stewards decision crews will be punished according to LASC Article 12. The crew, which has been shown the red flag will be appointed the appropriate result according „T 2017“ 39 section.

12.11 All vehicles must be equipped with red light-reflecting triangle, which must be placed in a clear visible spot not less than 100 metres from the car to alert other drivers, in case a crew stops as a result of an accident or a mechanical failure and a car is on or closer than 3 metres of the road.

12.12 If the crew retired from the Rally after the crash, the crew or team representatives must inform Chief Scrutineer Mr.Algirdas Gričius, ph.+370 687 44947 and by his request deliver the car for technical inspection. Violating of this requirement will inflict monetary penalty.
