1 . Welcome to the hottest rally fiesta „Samsonas Rally Rokiškis“

„Samsonas Rally Rokiškis“ is organized for the fourth year in a row and has already earned sympathies of spectators and participants. This year's event will cover Rokiškis and Zarasai areas. This year's rally will take place on July 31 – August 1 and will be events of Lithuanian and Latvian Rally championship as well as event of „Baltic Rally Trophy“.

As quarantine restrictions are getting milder with every day it gives a hope to see more participants from further countries on gravel stages of Rokiškis and Zarasai.

Organizers of „Samsonas Rally Rokiškis“ are capable to surprise by inviting to rally in Lithuania international rally stars. By initiative of nominal rally partner Martynas Samsonas such sportsmen like rally elite from Finland Juha Salo and Teemu Asunmaa, goal-keeper of Spanish national team Santiago Canizares or WRC legend Toni Gardemeister have already participated in „Samsonas Rally Rokiškis“.

This year organizers work was more difficult according to quarantine. However as restrictions are getting milder situation is promising – „Eurolamp WRT“ team from Ukraine with WRC level „Mini“ car has already announced it wishes to participate in the race. Organizers are also communicating with other teams from Finland, Ireland, Germany, Norway, Poland and others.

This year's hottest summer rally event „Samsonas Rally Rokiškis“ will definitely be no worse than previous events. Participants and spectators will meet favorite and renewed special stages. If conditions of quarantine will allow, solid concert program and other entertainment will also be a part of event.

„Samsonas Rally Rokiškis“ is organized by public institution „Automotoprojektai“ established in 2005. Head of company Audrius Gimžauskas – master of auto sport well known winner and prize winner of many championships. Experience of 11 years in rally organizing and in such events as “300 Lakes Rally” and “Samsonas Rally Rokiškis” ensure that spectators and participants will experience best emotions and impressions and would be looking forward to next rally.

AUDRIUS GIMŽAUSKAS

1 .1 Dear rally participants and spectators,

Time we live now affected automobile sport directly. We have a lot of new things, restrictions and even changes of some dates. Although it makes organizer's life tougher, we have experience of 11 years. So enough knowledge and great team ensure that event will be organized fluently.

Thanks to big input of Martynas Samsonas we are receiving a lot of messages and calls from foreign sportsmen willing to compete. We have a hope to see a lot of foreign duets if teams from abroad won't be tightened nor by any restrictions in their own countries neither by Lithuanian legal restrictions due to quarantine.

We are happy that friendship with neighbors Latvians reborn. First event of Latvian rally championship will be held here in Rokiškis. „Baltic Rally Trophy“ will also start here. We are full of enthusiasm and we hope to have a numerous entry list as all sportsmen are missing race so much. I believe that spectators as well.

Format of Special Stages will not change much as we received a lot of good feedback from sportsmen last year. We do not have big changes this year. But we are very happy that municipality of Zarasai will also join us.

We hope that this beautiful rally event will bring unforgettable impressions to participants as well as to spectators.
